PTE AutoKey™ for Timberline® Gold

The fast, efficient way to synchronize payroll data between Timberline® and ADP's® eTIME®

Finally, a single-entry solution — because your time is valuable

PTE Autokey™ synchronizes data between Timberline® Gold and eTIME®. Eliminating the dual entry maintenance between the two systems and ensuring accuracy.

Big time savings, accuracy, and double entry just became obsolete!

PTE Autokey™ - Labor Levels

PTE Autokey™ - New Hires

PTE Autokey™ - Time Entries

PTE AutoKey™ transfers data in a snap!

Using PTE AutoKey™ you can transfer...

PTE AutoKey™ Labor Levels

This bridge will ***add active labor level entries into eTIME's*** Labor Level tables from Timberline Gold's Payroll and or Job Costing module(s), then it will ***remove all the inactive entries from eTIME.***

Includes: Jobs, Phases, Cost Codes, Departments and User Defined Fields.

PTE AutoKey™ New Hires

This bridge is so sophisticated it ***will create the required data fields in eTIME for the end-user*** that do not exist in Timberline Gold's Payroll module.

This bridge will transfer predefined information out of Timberline Gold into the PTE AutoKey bridge. The bridge is customized with set default values to translate and create the predetermined required data fields in eTIME. Eliminating the manual upkeep in both systems for the eTIME user.

Includes: Employee Number, Name, Date of Hire, Badge, Pay Rule, Restriction Profile, Home Labor Accounts and Accrual Fields.

PTE AutoKey™ Time Entries

Transfer time entries from eTIME into your Timberline Gold's Payroll module. Covers all standard payroll types, Regular, Overtime, Double Time, etc., as well as Job Numbers.

Includes: Date, Employee ID, Unlimited Pay ID codes, Hours or Amounts, Departments, Rates, Job ID's Cost Code/Phases and Categories.

System requirements

Timberline® Gold version 5 or higher
eTIME® Version 3A or higher

Additional requirements

PTE AutoKey - Labor Levels requires Timberline's ODBC Driver
PTE AutoKey - New Hires requires Timberline's ODBC Driver
